Comment Reasons:

Comment: Living on Sheephurst Lane I am concerned about the increase of traffic during the construction phase. The road is currently very busy and fast being the main route out of Marden to Tunbridge Wells/Tonbridge/Paddock Wood.

I am also aware there are currently weight restrictions on the road so would improvements be made to the road to compensate and also would the council reconsider the speedlimits/installing speed limiting measures?

I also question why the perimeter fencing is 2.4 metres high when the police suggest in their response 2m is sufficient.
