Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: Marden has already lost so much agricultural land to Housing and also the Widehurst solar farm and the scale of the above is verging on the size of Marden village. Kent is the Garden of England and this has been farmed for many years the scale of this solar farm should be on a brownfield site not on greenfield agricultural land.

This would destroy and displace local wildlife and would be a blot on the Weald landscape.
